

Science North invites guests to an evening of luck and luxury at the IMAX® Casino Royale event

(SUDBURY, ON) - Science North invites guests to an extraordinary evening of glamour and espionage at its Casino Royale IMAX event on Saturday, April 13, 2024. This exclusive 19+ event promises to blend sophistication with excitement, offering guests an immersive experience like no other.

Commencing at 7:00pm, attendees will step onto the red carpet and be transported into a world of intrigue and adventure.

Guests will try their luck at casino games, which include poker, blackjack, roulette and a grand prize. Test their skills with lockpicking, code-cracking, and puzzles. The social area will be available to mingle or relax with mouth-watering appetizers and drinks from the Shaken, not Stirred Martini Bar sponsored by Aaron Luxe. Plus, no glamorous evening is complete without a wealth of photo opportunities alongside themed props to commemorate your foray into spy territory. The pinnacle of the evening will be the IMAX screening of the classic Bond film "Casino Royale" beginning at 8:30pm.

Tickets are \$80 and include:

- An immersive casino experience
- One alcoholic beverage
- Appetizers
- One small popcorn
- All non-alcoholic drinks
- Entry into the Casino Royale IMAX film screening

Guests are invited to dress to impress in their sharpest casual attire or embody your favorite Bond character for an evening of suavity and style.

To purchase your tickets and for additional details visit sciencenorth.ca/imax#casino.

About Science North

Science North is Northern Ontario's most popular tourist attraction and an educational resource for children and adults across the province. Science North maintains the second – and

eighth-largest science centres in Canada. Science North's attractions include a science centre, IMAX® theatre, digital Planetarium, butterfly gallery, special exhibits hall, and Dynamic Earth: Home of the Big Nickel. Science North, in partnership with Laurentian University, offers North America's first and only comprehensive Science Communication program, a joint master's and Graduate Diploma program. As part of its mandate, Science North provides science experiences throughout Northern Ontario including outreach to schools and festivals, summer science camps and more, and has a permanent base in Thunder Bay providing outreach to the Northwest. Science North is an agency of the Government of Ontario. For more information, visit sciencenorth.ca.
