**CANADA DAY RETURNS TO AN IN-PERSON CELEBRATION AT
SCIENCE NORTH.**

(SUDBURY, ON) – Local media are invited to Science North for an in-person Canada Day event! Science North, the Sudbury Multicultural and Folk Arts Association, and KiSS 105.3 have come together to deliver a full-day experience with local talent, musical performances, cool science, and more. This year we hope you will join us in celebrating the community and culture of all Canadians, Indigenous Peoples, immigrants, and visitors to Canada/Turtle Island.

There will be an opening ceremony followed by a Land Acknowledgement to get the day started. Then Come and witness the amazing local talents on the main stage, stroll and support vendors in the market, or try out one of the many treats and activities planned for this full-day event, and be sure to stick around for the fireworks display to close out the day.

Science North are proud supporters of Reconciliation and working towards a better Canada for all. For more Indigenous resources please visit: [Indigenous Tourism Ontario](#) or [Science North](#).

This free family-friendly event will be taking place from 11:00 am-10:00 pm at the Science North outdoor grounds. For more details, [sciencenorth.ca/canada-day](#) follow us on social media for updates. This event is supported by the City of Greater Sudbury and the Government of Canada.

Date: July 1, 2022 **Time:** 11:00 am to 10:00 pm
Location: Science North outdoor grounds
